GRADE 10 RELIGION: UNDERSTANDING SACRED SCRIPTURES S.Y. 2015-2016 FIRST QUARTER TOPIC OUTLINE

Introduction (from Teacher's Manual):

Understanding the Scriptures: A Complete Course on Bible Study is a textbook that systematically presents the economy of salvation as it is revealed in Sacred Scripture through a succession of covenants between God and his people. It investigates various books from the Bible, highlights their importance within salvation history, and demonstrates how they confirm the Catholic Faith. The Old and New Testaments are carefully examined and shown to be an unbroken communication between God and man, the pinnacle and fulfillment of which came with the Incarnation of the Word of God - the Second Person of the Blessed Trinity – Jesus Christ.
